

To whom it may concern,

I do not want K-Love taking off. I love listening to this music. My husband has a co-worker who is not saved but he loves to listen to K-loves music. There is alot of people I know at work whom listen to K-Love. I have it on my favorites in my computer. I love the messages and the music. The Lord is very much spoke about and my girls love it too. the best thing about K-LOVE is the daily scriptures they send out. Don't take this station away. Thank you for listening to a concerned citizen.

Sincerely,
Teresa Reed
